About Me | About Me | About Me

Mwape Kurete

UX/UI Designer | Full-Stack Developer | Creative Technology Student

Third-year BA student at The Open Window Institute (OWI) specialising in UI/UX design and software development. I aim to combine my artistic background (5+ years in design) with my technical skills in Figma, the Adobe Suite (Photoshop, Illustrator), Procreate, and full-stack development skills (MERN & MEAN stack, C#, PHP etc.) to build visually appealing, user-centric digital products. Passionate about bridging creativity and functionality to deliver impactful solutions.

Seeking: internships
